

Fylde Borough Local Referendum: 22 May 2014

RESTORE DEMOCRACY TO FYLDE

The present Cabinet-based system concentrates day-to-day decision making into the hands of just seven councillors.

A Committee-based system puts decision making into the hands of ALL elected councillors working together.

The referendum lets you decide how Fylde should conduct its business.

The individuals below urge you to VOTE FOR CHANGE and to CHOOSE COMMITTEES in the Fylde Referendum on 22 May
