Restoration of the Lord Ashton Monument is now almost complete, and an 'official handover' ceremony will take place at 2:00 pm on 7th March 2012, when the monument is formally returned to the Council's care.

The completed monument will be handed to Cllr Susan Fazackerley who will invite Fylde's Mayor to receive it on behalf of the people. The Mayor's Chaplain will then bless the monument.

SOAG's Executive Committee would be pleased if you could join us for the half an hour or so that the ceremony will take.

We expect press coverage of the event, and members of the public are also welcome to attend
